PSIT

Kanpur - Agra - Delhi

National Highway (NH-2),

Bhauti, Kanpur -209305

PSIT, established in 2004, is a outstanding educational endeavour and has the finest infrastructure, expert teaching methodology, research & development initiatives and excellent placement records. The vibrant eco-friendly campus, spread over 100 acres of land offers the finest facilities such as modern labs, high-tech central library, air-conditioned auditorium, hostels and transportation network that are comparable to the best in Northern India. The institute situated on Kanpur-Agra-Delhi National Highway (NH-2), Bhauti, Kanpur has a world class facilities. The integration of built-form with spectacular landscape, a unique architectural splendor, creates an ideal environment conducive to the pursuit of knowledge. In fact, the lush green, eco friendly and Wi-Fi campus has been designed to cater overall requirements of the students with 24X7 power back up, 3000 KVA Power Line and Internet access at 155Mbps. PSIT has become the only Institute in U.P. to have more than 1300 Computers Stations, installed at its various labs.

PSIT has established itself as a premier group for imparting quality technical education in Northern India. The commitment of the group is to impart knowledge par excellence, motivate the learners in research, and evolve result oriented innovative techniques in Engineering, Pharmacy, Computer Application and Management.

PSIT is the only institute in UP which is ranked among the top positions in B.Tech, B.Pharm, BBA, MBA, BCA & MCA. Apart from moulding students for producing university Ranks and Gold Medals, PSIT gives tremendous importance to research activities. An IEDC Center, IBM Center of Excellence and Microsoft Lab have been set up to inculcate scientific temper, innovative approach and entrepreneurship. PSIT believes in a holistic education that promotes its students to excel in all spheres. As only the best can cultivate the best that is why every year maximum toppers in the AKTU are PSITians. The excellent academic performance and results reinforce our commitment to constantly excel in the quality of education. PSIT has achieved an envious position in a very short span of 13 years only.

The placement portfolio of PSIT is unfolding yet another event of glory & pride and is conspicuous by its outstanding placement records year after year which would undoubtedly motivate the students to carve a niche for themselves in the professional sphere. The institute conducts on campus placement drives which include companies such as TCS, L&T, Infosys, and Wipro to name a few. PSIT is also known for its excellent placement records.

Message from Chairman's Desk

The rapid rate of technological advancement and information revolution has opened new series of challenges as well as opportunities.

To be in tune with the trends in the Industrial dynamics, we at PSIT provide the right ambience to attain excellence in Engineering, Pharmacy, Management and Computer Application studies through appropriate Infrastructural facilities, qualities and inspiring faculty, well established state-of-the-art Classrooms, Laboratories, Library, Teaching-Learning Process and Working Systems.

The academic rigours are custom crafted to complement academics with a number of programmes both in and out of the classroom. This goes to prove that PSIT is committed to being an institution that invest in developing well rounded students and prepare graduates and post graduates to make a difference in the world.

Thrust on ethical values and social service are the corner stones of this institution, helping students to contribute to great nation building.

I truly appreciate the efforts of the PSITians in bringing out News Letter of PSIT - "PSIT INSIGHT".

I wish the team very best in all the endeavors in future.

Mr. Pranveer Singh
Chairman
PSIT, Kanpur

Message from Vice Chairperson's Desk

PSIT is a dream come true for me. I have put my heart and soul into it and helped to create some of the most advanced features which in turn have made it stand amongst the top performing institutes providing professional studies in India.

The credit for it goes to my students who have performed spectacularly well in the university exams as well as in the companies that they work for. I thank my entire PSIT family.

Ms. Nirmala Singh
Vice Chairperson
PSIT Kanpur

It has been almost 13 years now, since PSIT has entered in the field of education to serve the society. The Institute has steadily been in the pursuit of its objective of achieving Excellence in Technical Education, Leadership and Corporate.

It gives me great pleasure and delight to present the third issue of the Newsletter of our Institute. This Newsletter carries all the information of our achievements and activities that took place in our campus in the past six months. We extend our thanks to the Hon'ble Chairman of the Institute for always motivating us to do better and providing us valuable support in developmental activities. I personally look forward to your feedback.

Best Wishes
Ms. Shefali Raj
Managing Director
PSIT, Kanpur

The students displayed a wide array of reverberant events such as Volleyball, Throw ball, Football, Basketball, Badminton, Races, Chess, Carrom etc. The crowd, the music, the competition, the excitement of the game, and the liveliness and spontaneous actions of the spectators were noteworthy. Medals and certificates were distributed by Honorable chairman, Vice-chairperson, Managing Director, ,Directors & Dean to the winners and runner-ups of various events. The efforts of students were applauded by Honorable chairman.

RALLY FOR RIVERS OF SADHGURU JI

Many of our great rivers are depleting fast. If we do not act now, the legacy we hand over to the next generation will be one of conflict and deprivation. These rivers nurtured and nourished us for thousands of years. It is time we nurture and nourish them back to health. PSIT Eco club took initiative to support **RALLY FOR RIVERS by SADHGURU JI** .

Health Camp

Health Camp was organized on "World Pharmacist Day" and "World Diabetic Day" in public ground to spread awareness about Diabetes, the aim of the camp was not just to provide health services but to create an environment where the whole community gets sensitized about health issues.

Industrial Visit

Industrial visit is a part of the Education, during which students visit companies and get insight of on the internal working environment of the company. The industrial visit also provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures, during which students visit companies and get insight of on the internal working environment

of the company. Industry visits sensitize students to the practical challenges that organizations face in the business world. Industrial visits also give greater clarity about various management concepts for students as they can practically see how these concepts are put into action. Visits to manufacturing firms are useful for students. To understand the nuances and realities of the shop floor, this in itself is a rare exposure. By visiting the shop floor they get to understand the

risky conditions in which workers work, the people management challenges involved in managing workers apart from getting hands-on technical knowledge.

Placement

The training & Placement Cell is committed to provide all possible assistance to its graduates and post graduates in their efforts to find employment. This commitment is demonstrated by the existence of a full-time Training & Placement Cell.

The training & placement service operates year round to facilitate contacts between companies & graduates. Staff members are available to respond to students' queries and concerns of all kinds. This includes advice on placement procedures; help to prepare applications for employment and mock interviews. The aim is to ensure that students have the information and skills necessary for an effective job search.

Those considering careers in education or its related fields are offered detailed career guidance at the Training & Placement Cell. All counseling is based on up to-date placement statistics and an envisioned view of future educational and industrial trends. Additionally, the Training & Placement Cell helps the students to improve their communication skills and presentation skills, as a result of which reputed companies are visiting PSIT to recruit them.
