PSIT

Kanpur - Agra - Delhi

National Highway (NH-2),

Bhauti, Kanpur -209305

PSIT, established in 2004, is a outstanding educational endeavour and has the finest infrastructure, expert teaching methodology, research & development initiatives and excellent placement records. The vibrant eco-friendly campus, spread over 100 acres of land offers the finest facilities such as modern labs, high-tech central library, air-conditioned auditorium, hostels and transportation network that are comparable to the best in Northern India. The institute situated on Kanpur-Agra-Delhi National Highway (NH-2), Bhauti, Kanpur has a world class facilities. The integration of built-form with spectacular landscape, a unique architectural splendor, creates an ideal environment conducive to the pursuit of knowledge. In fact, the lush green, eco friendly and Wi-Fi campus has been designed to cater overall requirements of the students with 24X7 power back up, 3000 KVA Power Line and Internet access at 155Mbps. PSIT has become the only Institute in U.P. to have more than 1300 Computers Stations, installed at its various labs.

PSIT has established itself as a premier group for imparting quality technical education in Northern India. The commitment of the group is to impart knowledge par excellence, motivate the learners in research, and evolve result oriented innovative techniques in Engineering, Pharmacy, Computer Application and Management.

PSIT is the only institute in UP which is ranked among the top positions in B.Tech, B.Pharm, BBA, MBA, BCA & MCA. Apart from moulding students for producing university Ranks and Gold Medals, PSIT gives tremendous importance to research activities. An IEDC Center, IBM Center of Excellence and Microsoft Lab have been set up to inculcate scientific temper, innovative approach and entrepreneurship. PSIT believes in a holistic education that promotes its students to excel in all spheres. As only the best can cultivate the best that is why every year maximum toppers in the AKTU are PSITians. The excellent academic performance and results reinforce our commitment to constantly excel in the quality of education. PSIT has achieved an envious position in a very short span of 13 years only.

The placement portfolio of PSIT is unfolding yet another event of glory & pride and is conspicuous by its outstanding placement records year after year which would undoubtedly motivate the students to carve a niche for themselves in the professional sphere. The institute conducts on campus placement drives which include companies such as TCS, L&T, Infosys, and Wipro to name a few. PSIT is also known for its excellent placement records.

Message from Chairman's Desk

The rapid rate of technological advancement and information revolution has opened new series of challenges as well as opportunities.

To be in tune with the trends in the Industrial dynamics, we at PSIT provide the right ambience to attain excellence in Engineering, Pharmacy, Management and Computer Application studies through appropriate Infrastructural facilities, qualities and inspiring faculty, well established state-of-the-art Classrooms, Laboratories, Library, Teaching-Learning Process and Working Systems.

The academic rigours are custom crafted to complement academics with a number of programmes both in and out of the classroom. This goes to prove that PSIT is committed to being an institution that invest in developing well rounded students and prepare graduates and post graduates to make a difference in the world.

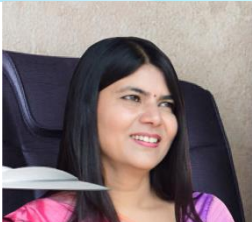

Thrust on ethical values and social service are the corner stones of this institution, helping students to contribute to great nation building.

I truly appreciate the efforts of the PSITians in bringing out News Letter of PSIT -"PSIT INSIGHT".

I wish the team very best in all the endeavors in future.

Mr. Pranveer Singh
Chairman
PSIT, Kanpur

Message from Vice Chairperson's Desk

PSIT is a dream come true for me. I have put my heart and soul into it and helped to create some of the most advanced features which in turn have made it stand amongst the top performing institutes providing professional studies in India.

The credit for it goes to my students who have performed spectacularly well in the university exams as well as in the companies that they work for. I thank my entire PSIT family.

Ms. Nirmala Singh
Vice Chairperson
PSIT Kanpur

Message from Managing Director's Desk

It has been almost 14 years now, since PSIT has entered in the field of education to serve the society. The Institute has steadily been in the pursuit of its objective of achieving Excellence in Technical Education, Leadership and Corporate.

It gives me great pleasure and delight to present the third issue of the Newsletter of our Institute. This Newsletter carries all the information of our achievements and activities that took place in our campus in the past one year. We extend our thanks to the Hon'ble Chairman of the Institute for always motivating us to do better and providing us valuable support in developmental activities. I personally look forward to your feedback.

Best Wishes
Ms. Shefali Raj
Managing Director
PSIT, Kanpur

One Week Faculty Development Programme was organized by PSIT Kanpur from 24th June 2019 to 29th June 2019 on theme “Multivariate Analysis using R”. Dr. Neeraj Kaushik a renowned scholar and Associate Professor of Research Methodology and Statistical sciences at IIT Kurukshetra was invited as a resource person. He taught various concept of research methodology and their implication with the help of sophisticated statistical technique like R, Jamovi, AMOS etc. so that the faculty may publish better research articles. Certificates to all participants were distributed in valedictory ceremony on 29th June 2019.

As the new semester started, the PSIT family witnessed another wave of campus placement. The PSIT wishes all the luck to the students who got opportunity to work with Vishal Mega Mart and WARAG.

Department of Computer Science and Engineering at PSIT, Kanpur organized FDP on title Emerging Trends in Computer Science and Engineering on 10th July 2019. Certificates to participants were distributed after successful completion of the program.

गया है। साथ अन्य आठ स्टूडेंट ने भी मेरिट लिस्ट में स्थान प्राप्त किया। मेरिट सूची में कम्प्यूटर साइंस इंजी. की श्रुति बंसल को पांचवी रैंक, आईटी ब्रांच की सोनाक्षी गुप्ता को नौवी रैंक, एमबीए की जसमीत कौर को आठवीं रैंक एमसीए की नेहा यादव को चौथी रैंक, अंजली चौहान को पांचवी, भावना पांडेय को सातवीं रैंक, दर्शिका गुप्ता को दसवीं रैंक व मैकेनिकल के रजत कटियार को पांचवी रैंक हासिल हुआ। संस्थान के चेयरमैन प्रणवीर सिंह एवं वाइस चेयरपर्सन निर्मला सिंह ने छात्रों के बेहतर प्रदर्शन के लिए शुभकामनाएं दी।

प्रशान्त गुप्ता को ब्रांज मेडल के लिए चुना

निर्मला सिंह ने छात्रों के बेहतर प्रदर्शन के लिए शुभकामनाएं दी।

A workshop on NBA's Quality Assessment was organized for PSIT faculty members. The workshop not only laid down the benefits that are churned after NBA approval by the institute, faculty and students but also focused on various aspects of working professionally, keeping records and value of ethics.

The workshop acted as a catalyst in boosting the morale of the participants.

Congratulations! to our students on their outstanding results in the University (AKTU)
Our Heartiest compliments to hardworking students, faculty members and supportive parents for helping us achieve the ultimate success.

“Create a vision for the life you really want and then work relentlessly towards making it a reality.”

Vision, Mission, Program Educational Objectives(PEOs), Program Specific Outcomes(PSOs), Program Outcomes(POs) of Various Departments of PSIT.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Vision of the Department

To be a recognized department of Computer Science & Engineering that produces versatile computer engineers, capable of adapting to the changing needs of computer and related industry.

Mission of the Department

1. To provide broad based quality education with knowledge and attitude to succeed in Computer Science & Engineering careers.
2. To prepare students for emerging trends in computer and related industry.
3. To develop competence in students by providing them skills and aptitude to foster culture of continuous and life-long learning.
4. To develop practicing engineers who investigate research, design and find workable solutions to complex engineering problems with awareness & concern for society as well as environment.

Program Educational Objectives (PEOs)

1. The graduates will be efficient leading professionals with the knowledge of Computer Science & Engineering discipline that enables them to pursue higher education and/or successful careers in various domains.
2. Graduates will possess capability of designing successful innovative solutions to real life problems that are technically sound, economically viable and socially acceptable
3. Graduates will be competent team leaders, effective communicators and capable of working in multidisciplinary teams following ethical values.
4. The graduates will be capable of adapting to new technologies/tools, constantly upgrading their knowledge and skills with an attitude for lifelong learning.

Program Specific Outcomes (PSOs)

1. Use algorithms, data structures/management, software design, concepts of programming languages and computer organization and architecture.
2. Understand the processes that support the delivery and management of information systems within a specific application environment.

Congratulations to all the stakeholders of PSIT fraternity to stood on 119th rank among the list of 150 engineering institutes across the nation of Most reputed outlook magazine. It is yet another milestone along the path towards Success.
