ABOUT PSIT COLLEGE OF HIGHER EDUCATION

PSIT College of Higher Education started on the path of Higher education in the year 2015. The college is affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur (NAAC A++) and is recognised under Section 2(f) of the UGC Act 1956. Since its inception, the college has been designed to train extraordinary minds by providing an ecosystem for holistic development. PSIT College of Higher Education has grown impressively and achieved widespread recognition from industry, academic circles, and professional bodies. The college offers high-quality programmes in business administration and computer applications to a cross section of students across India. The students are imparted a holistic view of life with a "can-do attitude" by faculty members with rich experience in industry and academia.

"A little progress each day adds up to big results". With this faith, apart from covering the university syllabus, the college also provides programme-wise technical training to students in emerging areas like C, Data Structures, Design and Analysis of Algorithms, Robotics, Data Analytics, Python, Full Stack Development, Data Modelling, SPSS, Tableau, R Studio, Power BI, etc. Expert talks and Industrial visits are conducted from time to time to keep the students abreast of the latest developments and practices. Activities in research and innovation, entrepreneurship, and various clubs help the students realise their potential. PSIT College of Higher Education has an impeccable track record of placements and a strong industry interface, which enables the students to get their placements. Besides good placements, our students are excelling in academics as well. They are securing ranks in universities (Gold Medal), admission in IIMs, foreign universities, and other reputed institutes and universities.

MESSAGE FROM CHAIRMAN'S DESK

The rapid rate of technological advancement and information revolution has opened new series of challenges as well as opportunities.

To be in tune with the trends in the Industrial dynamics, we at PSIT provide the right ambience to attain excellence in Engineering, Pharmacy, Management and Computer Application studies through appropriate Infrastructural facilities, qualities and inspiring faculty, well established state-of-the-art Classrooms, Laboratories, Library, Teaching-Learning Process and Working Systems.

The academic rigours are custom crafted to complement academics with a number of programmes both in and out of the classroom. This goes to prove that PSIT is committed to being an institution that invest in developing well rounded students and prepare graduates and post graduates to make a difference in the world. Thrust on ethical values and social service are the corner stones of this institution, helping students to contribute to great nation building. I truly appreciate the efforts of the PSITians in bringing out News Letter of PSIT - "PSIT INSIGHT". I wish the team very best in all the endeavours in future.

MESSAGE FROM DIRECTOR-PSIT STARTUP & INCUBATION FOUNDATION

I personally believe that one of the most important things responsible for a nation's growth is quality education, accessible to all. Moreover, such education should aim towards nurturing the intellectual horizons of young minds - the architects of tomorrow. In their hands lies the beacon illuminating a future where every individual, regardless of origin, can draw from the fountains of wisdom and learning.

It is with great pleasure and pride that I extend my warmest greetings to all of you as we come together to celebrate another remarkable period of growth and achievement at PSIT College of Higher Education. The six months, as documented within the pages of our bi-annual newsletter, PSIT INSIGHT, has been marked by significant milestones achieved by the institution and its departments. The newsletter throws light on several activities conducted by the college during the past six months.

PSIT College of Higher Education has always focussed on providing students with the best blend of academic, co-curricular and extra-curricular activities

in the form of innovative pedagogies, faculty training programs, student development programs, course quality and teaching feedback.

May the journey ahead be filled with continued learning, growth, and opportunities for all.
